

Benefit Tractor Pull

Saturday

October 1st 1:00

798 CHAPMAN DR. RIVER FALLS WISCONSIN

This year's benefit proceeds will go to help build a ramp for Suzanne Katula. Suzanne, her husband Tony and son Jeremy have been involved in tractor pulling with Gopher State Garden Tractor Pullers for many years. Suzanne used to pull her own tractor, and after she hung up her helmet, she took her place on the sidelines taking pictures and video for our pullers and fans to enjoy. Suzanne has recently been diagnosed with Multiple Sclerosis and has difficulty with walking and many other functions that we sometimes take for granted. GSGTP would like to build a ramp for easier access entering and exiting her house. We hope that you can join us rain or shine to hook your tractor for a good cause or just enjoy the show for fun!

Bring your tractors, friends, family and a dish to pass!

**1:00 Garden and Antique Tractor Pull
\$15 a hook**

Please contact Jeff Thron 651-226-7508 or Rick Jensen 651-248-4275 if you have any questions
